REMARKS

Claims 1-3, 7-11 and 13-21 are now pending in the application. Claims 1, 13 and 18 are independent claims. Claim 18 has been amended herein. Claim 12 has been canceled.

Claims 12 and 18-21 were rejected under 35 USC 112, second paragraph, as indefinite. In order to overcome the rejection, Claim 12 has been canceled and Claim 18 has been amended to address the issue raised as to ambiguity of singular/plural. Reconsideration and withdrawal of the nonstatutory obviousness type double patenting rejection are requested.

Applicant respectfully submits that each of independent Claims 1, 13 and 18, is now in condition for allowance. The indication of allowability of Claims 1-3, 7-11 and 13-17 is gratefully acknowledged.

Accordingly, remaining Claims 1-3, 7-11 and 13-21 are believed to be in condition for allowance. Since the Applicant has fully responded to the rejection set out in the Office Action, it is respectfully submitted that in regard to the above remarks that the pending application is in condition for allowance and prompt review and issuance is accordingly requested. Should the Examiner be of the view that an interview would expedite consideration of this Amendment or of the application at large, request is made that the Examiner telephone the Applicant's undersigned attorney at (908) 518-7700 in order that any outstanding issues be resolved.

Respectfully submitted,
